

You are Invited to a Virtual Event:
The Emerging Markets Investors Alliance
4th Annual EM ESG Conference
 December 9 & 10, 2020

The Only Emerging Markets ESG Conference

Join top investors, ESG experts, and emerging market corporates at the longest-running conference dedicated to ESG in emerging markets. The only conference with emerging market asset management firms with over \$30 trillion in AUM and emerging market corporates in one location over two days exclusively focused on ESG. [**REGISTER HERE**](#)

DAY 1: Panels and discussions between policy experts, issuers, and investors on top ESG themes dominating investment decisions today.

DAY 2: Small group meetings between investors and corporates focused exclusively on ESG issues and fireside chats with experts on the ESG Regulatory Environment & Transparency Data, Climate Risk in Portfolios, and the incorporation of ESG data into Credit Ratings.
